

9/11 Health Insurance Group

Dear Family Member:

The 9/11 Health Insurance Group and Group Health Incorporated (GHI) are pleased to offer a health benefits program to **widows, widowers, and their dependent children** who lost their health insurance coverage as a direct result of the events of 9/11. This program provides a broad range of medical, hospital, and prescription drug benefits.

Under this program, you and/or your family receive covered services provided by network providers, including specialists, for just a small copayment. No referrals are required, and there is no paperwork to file. If you choose to see out-of-network providers, your out-of-pocket expenses will increase and you will need to submit a claim form.

Please see the booklet for more information on the benefits about this program. To enroll, complete the application and **mail it to the 9/11 Insurance Group, P.O. Box 1270, Denville, New Jersey 07843**, along with evidence of your eligibility for health insurance. For evidence of eligibility, please include copies of the following:

- A death certificate **and** marriage license **or** a divorce decree **and**
- A birth certificates for dependent children, **and**
- A Certificate of Creditable Coverage from your prior employer showing you had health insurance coverage in the past. If you do not have this document, contact your prior employer for a copy.

Do not send payment with your application. If you are eligible for this program, GHI will bill you directly. If you have any questions about this program, please contact your GHI account representative.
